Subject: Launch of revamped AAA+ App – 'ESIC Health Connect' -Reg.

Sir/Madam,

It is to inform that ESIC has recently launched a revamped version of the AAA+ mobile app called 'ESIC Health Connect', available on both the Android Play Store and the iPhone App Store. Some of the highlights of the app include a revamped UI and improved user experience. An option for submission of feedback on app usage has also been introduced.

The new app enhances the user experience in Appointment Booking, Aadhaar seeding, e-Health records, Home Sample collection, etc., with an upgraded user interface.

All are requested to give wide publicity to the revamped AAA+ app, i.e., 'ESIC Health Connect', among all stakeholders—employers, insured persons, ESIC employees, and pensioners. It is also requested to highlight the 'ESIC Health Connect' app during health camps, awareness programmes, and joint outreach activities. User manuals related to Insured Person, ESIC Employee and ESIC Pensioner on the usage of the 'ESIC Health Connect' app are enclosed.

This is issued with the approval of the competent authority.
