TRANSPORT AND HIGHWAYS(MoRTH) UNDER THE LAUNCH OF 4TH EDITION OF THE
'SADAK SURAKSHA ABHIYAN'
WITH THE THEME FOCUSING ON
“SEEKH SE SURAKSHA, TECHNOLOGY SE PARIVARTAN”**

In compliance with the directions of ESIC Headquarters to observe NATIONAL ROAD SAFETY MONTH-(NRSM) 2026, **Dr.NIKHIL KUMAR HANSDA Medical Superintendent ESICMH Ramdarbar Chandigarh** implemented the 'T.E.A.M.' approach to road safety activities such as training of citizens in life-saving skills along with stakeholders at different levels in collaboration with Chandigarh Traffic Police on 27.01.2026.

The training programme on life-saving skills-including basic trauma care,bleeding control, Hands on training on Basic life support-cardiopulmonary resuscitation and first aid for citizens and Police personnel especially those involved in traffic management and first response was organized by the medical team from the hospital which included medical officer Dr.Jasmine, Anaesthetist Dr.Amandeep Kaur and the staff of the hospital.

The training programme was organized in coordination with Chandigarh Traffic Police involved in Road safety cells and the citizens at industrial clusters. Approximate sixty seven people enthusiastically participated in the training programme. Awareness events on the Good Samaritan Law to encourage people to help road crash victims was organized. The endeavour was highly praised by all the participants and the traffic police personnel and they were encouraged to spread the message in their circle to achieve 'Zero-Fatality Month' and contribute in strengthening community preparedness and improving post-crash response,in alignment with national road safety objectives for the success of 'Sadak Suraksha Abhiyan' under NRSM 2026 .
